

Sherpath Supports FACULTY AND STUDENTS

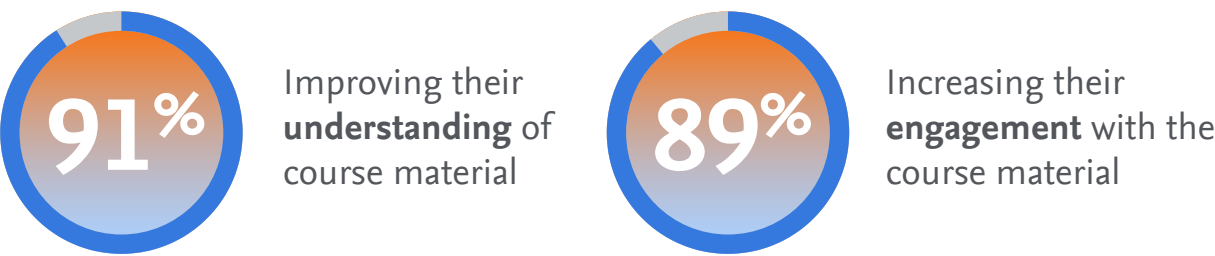

Designed to deliver personalized teaching and learning, Sherpath offers faculty and students an optimal experience to make the most out of learning beneficial to any in-person or online classroom. In a 2021 survey,

1,937 students rated the effectiveness of Sherpath on a 5-point scale ranging from *not effective* to *very effective*.

Students reported that Sherpath was *moderately effective*, *effective*, or *very effective* in each of the following areas:

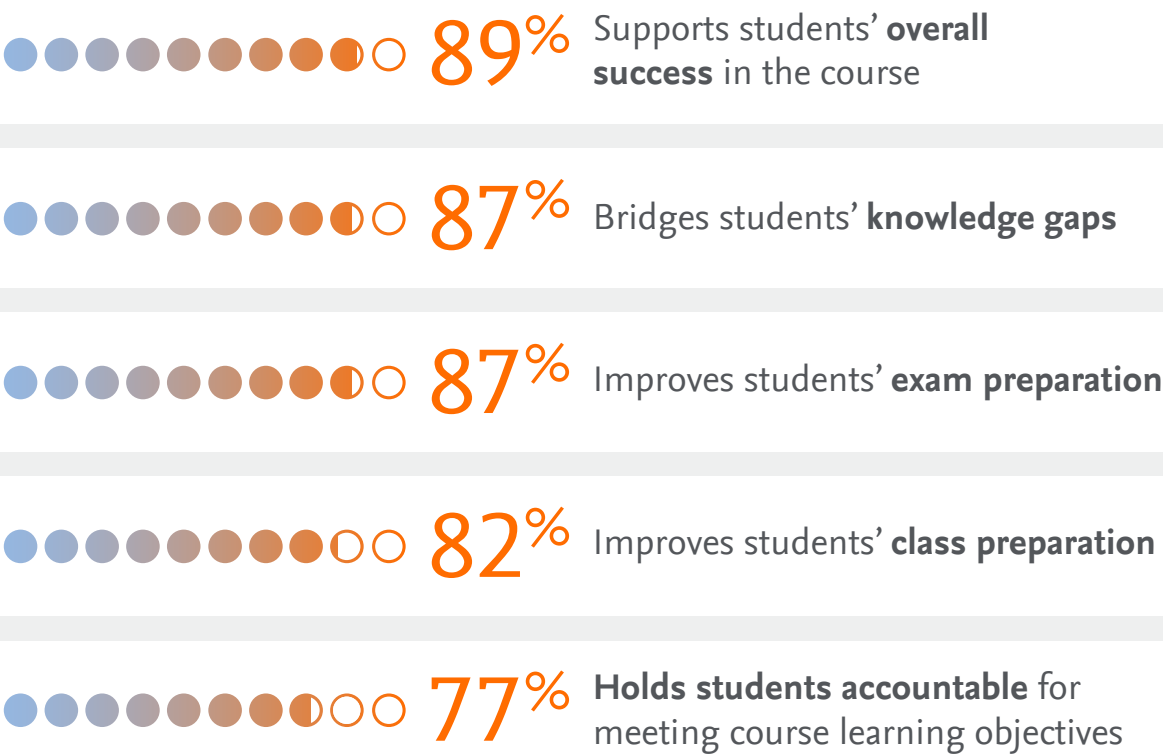

Students reported that Sherpath was *effective* or *very effective* in each of the following areas:

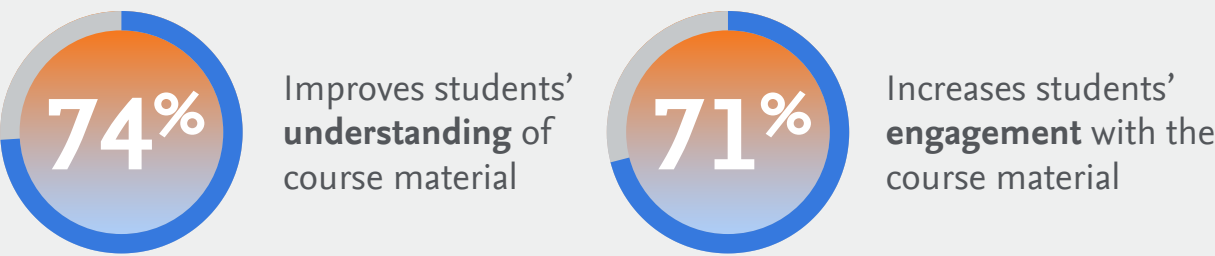

38 faculty rated the effectiveness of Sherpath on a 5-point scale ranging from *not effective* to *very effective*.

Faculty indicated that Sherpath was *moderately effective*, *effective*, or *very effective* in each of the following areas:

Faculty indicated that Sherpath was *effective* or *very effective* in each of the following areas:

“The use of Sherpath makes my understanding of the information easier. I have access to my reading materials, and the lessons are broken down. Then I test my knowledge on each topic, which I love. I really like that we can go back and review the information and retake the lessons. I use them to study.”

“The Sherpath lessons are well done. I like the format as a change from routine class time activities.”
